

Additional declaration¹ to the Export Health Certificate for Fresh Poultry Meat from Sweden to Canada

Certificate reference number

I, the undersigned official veterinarian, after due enquiry and to the best of my knowledge, hereby certify that the poultry meat described in the certificate:

- a. is derived from birds slaughtered in an establishment located in an EU member state, region, or zone which was free from high pathogenicity avian influenza (HPAI) at the time of slaughter.
- b. was obtained from birds kept in premises where there has been no outbreak of HPAI within 10 km for the 90 days prior to slaughter.
