	<p>Official veterinarian:</p> <p>.....</p> <p>Name (in capital) Qualification and title</p> <p>.....</p> <p>Date Place</p> <p>.....</p> <p>Stamp⁽²⁾ Signature⁽²⁾</p> <p>.....</p>	

- (1) Delete as appropriate
- (2) The signature and stamp must be of a different colour to that of the print.
- (3) As specified in the FMD-free Country List prepared by the Director of Biosecurity and published on the Agriculture Department's website (agriculture.gov.au/biosecurity-trade/policy/legislation/fmd-free-country-list)
- (4) Required if the products were manufactured in a country/countries listed in the appendix 'Exclusion dates for dairy products due to disease outbreaks', and/or contain dairy ingredients sourced from and/or manufactured in a country/countries listed in the appendix 'Exclusion dates for dairy products due to disease outbreaks'. The appendix 'Exclusion dates for dairy products due to disease outbreaks' is included in the Australian Import permit for the product.
- (5) This attestation must indicate the name/s of country/countries. Manufacturing includes all steps prior to certification. This includes, but is not limited to, processing, packaging, labelling and storage
- (6) IMPORTANT: The alternative heat treatment stated in the health certificate should only be what is included in the particular import permit for the product (and not include other options that may have been in other import permits).
