<sup>(2)</sup> Article 6

6.1 Cloven-hoofed animals slaughtered in the designated establishments shall be born and raised in the exporting country.

6.2 Article 6.1 does not apply if the cloven-hoofed animals are imported from a third country (zone) and the third country (zone) conforms to the following requirements:

6.2.1 The third country (zone) shall be a disease-free country (zone).

6.2.2 The cloven-hoofed animals shall be born and raised in the third country.

6.2.3 The cloven-hoofed animals shall be inspected by the competent authority of the third country and be found free from clinical evidence of any contagious disease.

6.2.4 The cloven-hoofed animals shall be imported directly from the third country and shall not be transhipped through an infected country (zone).

<sup>(3)</sup> Article 7

7.1 The meat cut and processed in the designated establishments shall originate from cloven-hoofed animals slaughtered in the exporting country.

7.2 Article 7.1 does not apply if the meat is slaughtered in a third country (zone) which conforms to the following requirements:

7.2.1 The third country (zone) shall be a disease-free country (zone).

7.2.2 The meat shall originate from cloven-hoofed animals born and raised in the third country.

7.2.3 The meat shall come from the designated establishments in the third country which are approved by the competent authority of this country.

7.2.4 The meat shall be imported directly from the third country and shall not be transhipped through an infected country (zone).
