3.1 Name, approval/registration number and address of the establishment: _____	
3.2 Administrative-territorial unit: _____	

4. Certificate on suitability for human consumption:

I, the undersigned State/official veterinarian certify that:

The certificate is based on the following pre-export certificates (see attached list in case more than two)¹:

Date:	Number:	Country of origin:	Administrative territory:	Approval/registration number of the Establishment:	Name and quantity (net weight) of goods:

4.1 Raw materials from which gelatine and/or collagen is manufactured are obtained from clinically healthy animals slaughtered in establishments, approved by the Competent Veterinary Service in the EU for supplying their production for export and operating under its supervision.

4.2 Raw materials have been subjected to veterinary inspection and are fit for the production of gelatine and/or collagen for human consumption.

4.3 Gelatine and/or collagen originate from processing plants not under restrictions with regard to contagious diseases.

4.4 ² [Gelatine and/or collagen are prepared from hides, skins and/or bones (excluding bones of ruminant animals)]

And/or

² [If gelatine and/or collagen are prepared from ruminant bones, specified risk materials (SRM) were removed, and bones were treated according to OIE Code recommendations.]

4.5 Microbiological and chemical-toxicological characteristics of the product correspond to the veterinary and sanitary requirements of the Customs Union.

4.6 Package and packaging material are used only once and comply with requirements of the Customs Union.

4.7 The means of transport are treated and prepared in accordance with the rules approved in the EU.
