CERTIFICATE OF HEALTH**

This is to certify that:

- the products are manufactured in Sweden.
- the Swedish National Food Agency has approved the establishment according to Regulation (EC) 853/2004 of the European Parliament and of the Council.
- the Swedish National Food Agency controls the food business operator with regards to Regulations (EC) 852/2004 and 853/2004 of the European Parliament and of the Council.
- products from the manufacturer are produced and packed in premises approved as a food establishment according to the legislation mentioned above.
- products from the manufacturer are regarded as fit for human consumption and may be sold and consumed without restrictions in Sweden and other EU countries.
- dairy products manufactured in Sweden are subject to a control program for dioxins and dioxin-like PCBs that is carried out on a yearly basis. Action is taken if results of analysis indicate levels of dioxins and dioxin-like PCBs exceeding the maximum levels set in Commission Regulation No 1881/2006.
- Products from the manufacturer are regarded as fit for human consumption and may be sold and consumed without restrictions in Sweden and other EU countries.

Senior Veterinary Inspector / Chief Government Inspector
