

# Question form

Name of the product: \_\_\_\_\_

CN-number: \_\_\_\_\_ Importer: \_\_\_\_\_

*Complete one form per product. If you are not sure of which Border Inspection Post the product will pass through, send the question form to [gks@slv.se](mailto:gks@slv.se). This assessment is valid until the 20th of April 2021 - provided that the products content/ingredients has not changed. The 21th of April 2021 a new legislation concerning composite products is valid. The assessment only concerns the import control legislation hence provides no guarantee that the product fulfills other parts of the EU legislation.*

1) Attach a **complete list of ingredients** with quantities (preferably in %) for ingredients of animal and vegetable origin. The list shall clearly state which ingredients that have ingredients of *animal origin* and which that have *vegetable origin*.

2) **Attach a picture of the product and the labelling**

3) For the **vegetable ingredients**, please indicate the reason for adding them to the product, e.g. *technical function (seasoner or stabilizer), source of carbohydrates or as a substitute for animal protein or fat.*

4) Is the product shelf-stable at ambient temperature?	<b>Yes</b>	<b>No</b>
Is the product packed for the final consumer?	<b>Yes</b>	<b>No</b>
Are the ingredients of animal origin heat treated?	<b>Yes</b>	<b>No</b>
Is the final product itself heat treated?	<b>Yes</b>	<b>No</b>

5) Describe the production process, for example with an attached flow chart

6) From what **country/countries** and from which **producers/facility/plant/approval number** do the ingredients of animal origin originate?

## Assessment of the product, to be completed by the border inspection post:

Dairy product	Fishery product	Meat product	Egg product
Composite product	Food Supplement	Non-animal content	

<b>Subject to border control</b>	<b>Yes</b>	<b>No</b>	<b>Import stop</b>	<b>Yes</b>	<b>No</b>
----------------------------------	------------	-----------	--------------------	------------	-----------
